Plant Project

Now that harvest is winding down, please consider helping at the Plant Project. Our faithful helpers have carried the load for quite some time so some new faces would be greatly appreciated! Call Rick at 428-2204 to see if there's work to do Monday through Wednesday.

Thank You

A sincere thank you to everyone who remembered us with prayers, food, flowers and memorials at the loss of our Mother. Thanks to all who attended the services and the choir for the beautiful music.

A special thank you to Father Olsen for the great Homily; it really touched a lot of hearts. Thanks to Father Jim for all his visits through the years bringing Mom Communion. Our deep appreciation to Diane Jarecki for her cheerful visits to mom over the last years, and the food you supplied us with during this time was amazing.

God Bless All, the Family of Eleanor McPhillips

Thank You

Thank you to all who supported the Catholic Order of Foresters Matching Funds. With everyone's support and a matching contribution of \$1500 from the Catholic Order of Foresters National, we have raised approximately \$3250 to be used in our parish.

To All of Our Dear Veterans

This year our Veteran's Day program will be virtual. We will be filming a program at school and there will be several ways for you to view the program. We will have a couple of links for you to click on-through the parish website, YouTube and Facebook. If you are **unable** to access the program in this method, we will send out a DVD (or place one in the back of church with your name on it) for you to view. The program will not be live-streamed. This is not the way we would like to honor our veterans, but for this year it is the safest way for all-our veterans and our students. We will send out the links in your veteran letter and put them in the bulletin. If you NEED a DVD, please contact the school at 402-428-3455 or call Jeanette at 402-920-0740 (after 4:00). Please let us know if you need the DVD by Monday, October 26th. We will truly miss you, please know that we are looking forward to SEEING you in PERSON next year.

Bishop's Pro-Life Virtual Conference

Historic Photos and Information

Holy Family Parish will be 125 years old this year and we are looking for photos of the old church, the present church before any remodeling and any church related activities that would span the past 125 years. If you have any photos or newspaper articles please drop them off at the rectory with your name on them so we can return them to you when finished. We need these by the first week of November if possible!

Attention EMHCs

There will be a meeting to discuss procedures for bringing Holy Communion to homes as well as distributing communion at Mass on Tuesday, Nov 17th in Humphrey at 7pm or Thursday, Nov 19th at Holy Family at 7pm. If you wish to continue serving in this capacity please plan on attending. Parishioners from either parish can attend either meeting. We will meet in the Church.
