### ATTENTION FARMERS

The Harvest season has started, with the extreme dry conditions in the fields, FIRES are inevitable. A few things to help prepare for these are:

1. Have a tractor and disc either in the field you are harvesting or close by
2. Have a fire extinguisher and or a container of water in the combine, tractors, trucks etc.
3. If available a water wagon in the field or close near by
4. If you have a fire call 911 as soon as possible

*Thank you, Lindsay Vol Fire & Rescue Dept.*
