Recommendations

The Nebraska Catholic Conference is encouraging you to contact your State Senator to vote to **oppose** the Equality Act which will infringe on the religious beliefs of individuals as well as going against science and families.

Sen Deb Fischer, phone 202-224-6551 or contact via her website: fischer.senate.gov

Sen Ben Sasse, phone 202-224-4224 or contact via his website: sasse.senate.gov

Sen. Joe Manchin Democrat of West Virginia, please politely call and encourage him to vote in a way that supports your beliefs. Phone 202-224-3954

A video from NE Catholic Conference explains why a good Catholic Meddles in Politics. One reason is; if the truth of the church isn't heard, the falsehood and the lies of the devil will take its place. Satan wants us to be silent even though we may endure suffering to let the truth shine. Go to necatholic.org and click "Catholics at the Capital" to hear more reasons.
