Guild Orientation

The guild officers are hosting an orientation for our young parishioners. It's such a blessing when new women join our community and parish and we want them to feel included. The guild duties may be confusing to someone new to the parish so we would like to help guide you the best we can. Come and enjoy a meal and a short meeting from 6:00-7:00pm on Monday, April 25 at the school cafeteria. We would tour the kitchen and go over church cleaning and other duties as part of the guild.

Volunteers Needed

The Lindsay Fire and Rescue squad is looking to add to their roster of volunteer Firefighters/EMT's. We are looking for both men and women to help to keep a strong volunteer squad serving our community. Please consider this very important opportunity to serve the Lindsay community and surrounding area.

LHF Greenhouse Annual Sale

Please come and support our Plant Science Program! Open from 3:25-4:15 Monday-Friday or by appointment. *Greenhouse is not open when school is not in session.

Lindsay Grocery Store Facebook page

In partnership with Lindsay Area Development, the grocery store now has a Facebook page! LAD is providing the technical and administrative support and has started to post the weekly ads and communication of in-store specials and 'flash' sales. Customers can also use the messenger tools to ask questions and communicate product orders or requests.

Search for Lindsay Cooperative Market on Facebook and like and follow to be in the know. Interacting with posts (liking and sharing) will help spread the word and is another way to support our local businesses.

Community-Centered Facility – Researching Viability

A team of community members are actively evaluating the viability of a community-centered facility and current focus is evaluating a business plan that includes funding and ongoing sustainability. As this is finalized over the upcoming weeks, a community information session will be scheduled. Please continue to pray for the community members participating and that their efforts are steered towards the best path forward for our community. Watch for more information to be shared in the weekly bulletins

Pivot Days – Save the Date

Mark your calendars for June 24th and 25th for Lindsay Area Development's annual Pivot Days event!! This is a family-friendly weekend filled with activities and entertainment for all to enjoy. As the main fundraising event for LAD, the funds raised are directed back into projects for the Village of Lindsay and surrounding area community members to benefit from and will be used to further progress on the strategic priorities named by community members.

LAD thanks all past sponsors and community members for their support and asks for prayers for a successful event this summer. If you are interested in volunteering to help during the event or would like to sponsor, please contact a member of LAD: Aaron Reichmuth, Amber Klassen, Brian Wegener, Calvin Frisch, Jenny Korth, Ken Kurtenbach, Micaela Wegener, Tim Wiese, Tom Catterson.

Divine Mercy Sunday

In a series of revelations to St Maria Faustina Kowalska in the 1930s our Lord called for a special feast day to be celebrated on the Sunday after Easter. Today, we know that feast as Divine Mercy Sunday, named by Blessed John Paul II at the canonization of St Faustina on April 30, 2000.

The message of the Divine Mercy is simple. It is that God loves us—all of us. And, he wants us to recognize that His mercy is greater than our sins, so that we will call upon Him with trust, receive His mercy, and let it flow through us to others. Thus all will come to share His joy.
